

## Membership Application Form

### What is this?

This is the first step in your membership application. Filling it in commits you to nothing at all – it just tells us that you're interested.

### What happens after I fill it in?

We will invite you to a group meeting – online or in person if there is one you can get to – where we will outline how the E-SaW Guaranteed Permanent is adopted to you personally. You'll have plenty of opportunities to ask questions. You'll probably have a chance to meet other members too who will outline their own experiences.

### What if I find, after the group meeting, that it's not for me?

No problem at all. Simply let us know and we will delete you from our lists.

### What if, after the group meeting, I'd like to give membership a try?

You'll be made very welcome – but be assured that you can leave at any time should you change your mind.

### I have read these brochures/webpages:\*

The E-SaW "Guaranteed Permanent" Size and Weight Reduction Programme

How do I join?

What can I expect from my membership of The E-SaW Club?

What is expected of me as an E-SaW Club member?

### Group Meeting Option\* (please select one option)

Yes, I wish to be invited to a group meeting so that I can find out more about being an E-SaW Club member and The E-Saw Guaranteed Permanent programme.

No, I feel that I have accumulated enough information about E-SaW Club membership and The E-Saw Guaranteed Permanent programme and don't want to be invited to a group meeting. I am happy to have the one-to-one talk with you as soon as possible.
